NTSA Winter Postal Leagues 2023/24

Competition 3 – NTSA TBT.

This competition is based upon IPSC shotgun rules. TBT consists of stages with the minimum of movement across the ground. To understand the full concept of TBT, please read an article on this on the NTSA website [What is TBT.pdf \(ntsa.co.uk\)](#)

The stages are simple to set up and run. There 10 stages. Many are doubled up to reduce the build time. Some can be run together. The stage descriptions can be downloaded from [SSI NTSA TBT Winter Postal League 23/24 \(shootnscoreit.com\)](#)

Scoresheets are provided below, however clubs may elect a member to enter individuals and submit scores directly into the competition which has been set up on SSI. Contact competitions@ntsa.co.uk to register to input as a Stats Officer.

Gun Divisions – All IPSC Shotgun divisions are recognised as well as Section 2 (use custom division on SSI). If there are minimum of 3 competitors in a category, then these will also be recognised.

To enter individuals and teams, complete the entry forms below.
